Nondiscrimination and Student Rights

Equal Education Opportunity

APPEAL PROCEDURES UNDER SECTION 504

These appeal procedures should only be used if a parent/guardian of a student with a disability intends to challenge the action proposed by the District regarding the identification, evaluation or educational placement of the student under Section 504. Typically, these procedures are used after a Section 504 Team has made a determination regarding a student's eligibility for Section 504 services or after the Section 504 Team has made particular accommodations for a student under a Section 504 Plan. A copy of the District's 504 Procedural Safeguards by contacting _____ at _____.

These procedures are intended to be in harmony with 34 C.F.R. § 104.36. All other complaints/grievances relating to disability discrimination are handled in accordance with the District's separate Section 504 grievance/complaint resolution regulation, Regulation 1310 - Civil Rights, Title IX, Section 504.

DUE PROCESS APPEAL PROCEDURES

This procedure should be used if the parent(s), legal guardian or eligible student intends to challenge actions the District proposes or refuses under Section 504 regarding the identification, evaluation, program or placement of a student with a disability. The District also has the right to initiate a 504 due process hearing regarding these same matters.

1. If a parent, legal guardian or eligible student intends to challenge the action proposed or refused by the District, the parent/guardian or eligible student must file a written Request for 504 Due Process Hearing within 30 calendar days from the date of the District's written notice of the proposed or refused action. A copy of this form is attached to these Procedural Safeguards. The request for 504 Due Process Hearing should be filed with:

[PLEASE INSERT NAME AND/OR TITLE OF THE PERSON TO WHOM THE NOTICE OF APPEAL SHOULD BE PROVIDED].

If the District intends to initiate a Section 504 due process hearing, the District's Section 504 Coordinator must complete the Request for a 504 Due Process Hearing within the same number of calendar days as specified above.

2. The Request for a 504 due Process Hearing must state the specific circumstances, including all relevant facts, giving rise to the request for due process; the specific issues

to be decided at the impartial due process hearing; and the relief being requested. The District will acknowledge, in writing, all parent/guardian requests for a due process hearing within ten (10) business days of receipt. If the District initiates the due process hearing, the District will inform the parent or guardian within five (5) days of the District's decision to so initiate.

3. The District will, within ten (10) business days of the District's or parent/guardian's receipt of the Request for a 504 Due Process Hearing, appoint and retain a single impartial hearing officer to hear and decide the due process request. The hearing officer must have knowledge or training in Section 504 and may not be an employee of the District. The hearing officer may not have a personal or professional interest that would conflict with his/her objectivity in the hearing. The District is not required to consult with the parent/guardian or eligible student with respect to the hearing officer appointment.

4. The parties to the hearing have the following rights:

- a. The right to inspect all relevant records, including personally identifiable records of the student;
- b. The right to be represented and advised by an attorney;
- c. The right to present evidence and confront, cross-examine and compel the attendance of witnesses;
- d. The right to obtain a record of the hearing;
- e. The right to obtain written findings of fact, conclusions of law, and decision.

5. The parents or guardian have the right to open the hearing to the public; otherwise, it will be closed. The parents or guardian may elect to have the student present at the hearing.

6. The hearing officer must hold the hearing within 45 days of his/her appointment as hearing officer. This timeline may be extended upon the request of the party or parties and by agreement and order of the hearing officer.

7. Each hearing must be conducted at a time and place which is reasonably convenient to the District and the parents or guardian. The District's facilities will be presumed to be a reasonably convenient location but the parents or guardian may challenge this presumption with the hearing officer.

8. The party that requested the due process hearing may not raise issues at the due process hearing that were not addressed in the Request for a 504 Due Process Hearing unless the other party agrees.
9. The hearing officer shall render a final, written decision no later than 30 days following the completion of the hearing. A decision may be rendered after 30 days, if either party requests an extension of this timeframe, and for good cause shown. The decision of the hearing is final and binding, subject to the procedures outlined below.
10. The District is responsible for costs directly attributable to the provision of administration hearings described in these procedures, including compensation of the hearing officer, transcripts or recordings of the hearing, and other related expenses. The District is not responsible for the costs of legal counsel or other representative of the parent/guardian or eligible student or for the costs of producing or reproducing the evidence presented by the parent/guardian or eligible student.
11. Any timelines specified herein may be extended by agreement of the District and parent/guardian or eligible student or by order of the hearing officer.
12. Any party aggrieved by the decision of the impartial hearing officer may appeal that decision to any court of competent jurisdiction.

Other Options

At any time during this grievance process, a grievant may file a complaint with the Missouri Commission on Human Rights or with the United States Department of Education, Office for Civil Rights (Kansas City, Missouri)

REPORTING PROCEDURES

The following procedures are applicable to any student who believes he or she has been the victim of sexual harassment or harassment/discrimination based on race, color, sex, national origin, age, ethnicity, disability, sexual orientation, or perceived sexual orientation by a student, teacher, administrator, or other school personnel of the School District, or by any other person who is participating in, observing, or otherwise engaged in activities, including sporting events and other extracurricular activities, under the auspices of the School District.

Such individuals are encouraged to immediately report the alleged acts to an appropriate District official designated by this Regulation.

Any teacher, administrator, or other school official who has or receives notice that a student has or may have been the victim of unlawful discrimination, sexual harassment or harassment based on race, color, sex, national origin, age, ethnicity, disability, sexual orientation, or perceived sexual orientation by a student, teacher, administrator, or other school personnel of the District, or by any other person who is participating in, observing, or otherwise engaged in activities, including sporting events and other extracurricular activities, under the auspices of the District, is required to immediately report the alleged acts to an appropriate District official designated by this Regulation.

Any other person with knowledge or belief that a student has or may have been the victim of unlawful discrimination, sexual harassment or harassment based on race, sex color, national origin, age, ethnicity, disability, sexual orientation, or perceived sexual orientation as set forth above, is encouraged to immediately report the alleged acts to an appropriate District official designated by this Regulation.

The School District encourages the reporting party or complainant to use the report form available from the principal of each building or available from the School District office, but oral reports shall be considered complaints as well. Use of formal reporting forms is not mandated. Nothing in this Regulation shall prevent any person from reporting harassment directly to the Compliance Officer or to the Superintendent. The District will respond to male and female students' complaints of discrimination and harassment promptly, appropriately, and with the same degree of seriousness.

1. In each school building, the building principal is the person responsible for receiving oral or written reports of discrimination, sexual harassment, or harassment based on race, sex, color, national origin, age, ethnicity, disability, sexual orientation, or perceived sexual orientation at the building level. Any adult School District personnel who receives a report of discrimination, sexual harassment, or harassment based on race, sex, color,

national origin, age, ethnicity, disability, sexual orientation, or perceived sexual orientation shall inform the building principal immediately.

Upon receipt of a report, the principal must notify the District Compliance Officer immediately, without screening or investigating the report. The principal may request but may not insist upon a written complaint. If the report was given verbally, the principal shall personally reduce it to written form and forward it to the Compliance Officer within twenty-four (24) hours. Failure to forward any harassment report or complaint as provided herein will result in disciplinary action against the principal.

If the complaint involves the building principal, the complaint shall be made or filed directly with the Superintendent or the School District Compliance Officer by the reporting party or the complainant.

2. The School Board has designated _____ as the District Compliance Officer with responsibility to identify, prevent, and remedy unlawful discrimination and harassment. The District Compliance Officer shall:
- receive reports or complaints of unlawful discrimination, sexual harassment, or harassment based on race, sex, color, national origin, age, ethnicity, disability, sexual orientation, or perceived sexual orientation;
 - oversee the investigative process;
 - be responsible for assessing the training needs of the District's staff and students in connection with the dissemination, comprehension, and compliance with this Regulation;
 - arrange for necessary training required for compliance with this Regulation; and
 - insure that any investigation is conducted by an impartial investigator who has been trained in the requirements of equal educational opportunity, including harassment, and who is able to apply procedural and substantive standards which are necessary and applicable to identify unlawful harassment, recommend appropriate discipline and remedies when harassment is found, and take other appropriate action to rectify the damaging effects of any prohibited discrimination, including interim protection of the victim during the course of the investigation.

If any complaint involves a Compliance Officer, the complaint shall be filed directly with the Superintendent.

The District shall conspicuously post a notice against unlawful discrimination and harassment in each school in a place accessible to students, faculty, administrators, employees, parents, and members of the public. This notice shall include the name, mailing address, and telephone number of the Compliance Officer; the name, mailing address, and telephone number of the Missouri Commission for Human Rights, the state agency responsible for investigating allegations of discrimination in educational opportunities; and the mailing address and telephone number of the United States Department of Education, Office for Civil Rights, and the United States Department of Justice.

3. A copy of Policy 2130 shall appear in the student handbook, and this Regulation shall be made available upon request of parents, students, and other interested parties.
4. The School Board will develop a method of discussing this Regulation with students and employees. Training on the requirements of nondiscrimination and the appropriate responses to issues of harassment will be provided to all school personnel on an annual basis, and at such other times as the Board in consultation with the District Compliance Officer determines is necessary or appropriate.
5. This Regulation shall be reviewed at least annually for compliance with state and federal law.
6. The District will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as possible, consistent with the District's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

INVESTIGATION

Upon receipt of a report or complaint alleging unlawful discrimination, sexual harassment, or harassment based upon race, color, sex, national origin, age, ethnicity, disability, sexual orientation, or perceived sexual orientation, the Compliance Officer shall immediately undertake or authorize an investigation. That investigation may be conducted by District officials or by a third party designated by the District.

The investigation may consist of personal interviews with the complainant, the individual against whom the complaint is filed, and others who have knowledge of the alleged incident or circumstances giving rise to the complaint. The investigation may also consist of the evaluation of any other information or documents, which may be relevant to the particular allegations.

In determining whether the alleged conduct constitutes a violation of this Regulation, the District shall consider:

- the nature of the behavior;
- victim's statements;
- how often the conduct occurred;
- mandatory written witness statements or interview summaries;
- whether there were past incidents or past continuing patterns of behavior;
- opportunity for the complainant to present witnesses and provide evidence;
- evaluation of all relevant information and documentation relating to the complaint of discrimination or harassment;
- the relationship between the parties involved;
- the race, color, sex, national origin, age, ethnicity, disability, sexual orientation or perceived sexual orientation of the victim;
- the identity of the perpetrator, including whether the perpetrator was in a position of power over the student allegedly subjected to harassment;
- the number of alleged harassers;
- the age of the alleged harassers;
- where the harassment occurred;
- whether there have been other incidents in the school involving the same or other students;
- whether the conduct adversely affected the student's education or educational environment;
- the context in which the alleged incidents occurred.

Whether a particular action or incident constitutes a violation of this Regulation requires a determination based on all the facts surrounding the circumstances.

The investigation shall be completed and a written report given to the Superintendent no later than fifteen (15) days from receipt of the complaint. If the complaint involves the Superintendent, the written report may be filed directly with the School Board. The written report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this Regulation. The Compliance Officer's obligation to conduct this investigation shall not be extinguished by the fact that a criminal investigation involving the same or similar allegations is also pending or has been concluded.

SCHOOL DISTRICT RESPONSE

1. Upon receipt of a report that a violation has occurred, the District will, within _____ days, take appropriate formal or informal action to address, and where appropriate, remediate the violation. Appropriate actions may include, but are not limited to, counseling, awareness training, parent-teacher conferences, warning, suspension, exclusion, expulsion, transfer, remediation, or discharge. District action taken for violation of this Regulation shall be consistent with the requirements of applicable collective bargaining agreements, state and federal law, and District policies for violations of a similar nature of similar degree of severity. In determining what is an appropriate response to a finding that harassment in violation of this Regulation has occurred, the District shall consider:
 - what response is most likely to end any ongoing harassment;
 - whether a particular response is likely to deter similar future conduct by the harasser or others;
 - the amount and kind of harm suffered by the victim of the harassment;
 - the identity of the party who engaged in the harassing conduct.
 - whether the harassment was engaged in by school personnel, and if so, the District will also consider how it can best remediate the effects of the harassment.

In the event that the evidence suggests that the harassment at issue is also a crime in violation of a Missouri criminal statute, the Board shall also direct the District Compliance Officer to report the results of the investigation to the appropriate law enforcement agency charged with responsibility for handling such crimes.

2. The results of the District's investigation of each complaint filed under these procedures will be reported in writing to the complainant and other parties by the District within 10 days of the Compliance Officer's receipt of the complaint, in accordance with state and federal laws regarding data or records privacy, and consistent with the privacy rights of the alleged harasser.

3. If the District's evaluation of a complaint of harassment results in a conclusion that a school employee has engaged in unlawful discrimination or harassment in violation of this Regulation, or that a school employee(s) has failed to report harassment as required herein, that individual may appeal this determination by presenting a written appeal within 10 school days of receiving notice of the District's conclusion, by use of established School Board procedures for appealing other adverse personnel actions. (See personnel handbooks.)
4. If the District's evaluation of a complaint of harassment results in a conclusion that no unlawful harassment has occurred, an individual who was allegedly subjected to harassment and believes that this conclusion is erroneous may appeal this determination by presenting a written appeal to the Superintendent within 10 school days of receiving notice of the District's conclusion. The grievant may request a meeting with the Superintendent or his/her designee. The Superintendent or his/her designee has the option of meeting with the grievant to discuss the appeal. A decision will be rendered by the Superintendent or his/her designee within 10 working days after receiving the written appeal.
5. If the complainant believes the Superintendent has not adequately or appropriately addressed the appeal, he or she may present a written appeal to the President of the Board of Education within ten (10) working days after the grievant receives the report from the Superintendent. The grievant may request a meeting with the Board of Education. The Board of Education has the option of meeting with the grievant to discuss the appeal. A decision will be rendered by the Board of Education at their next regularly scheduled meeting or no later than 45 calendar days from the District's receipt of the complainant's appeal to the Board. The grievant will be notified in writing of the decision within 5 working days after the Board of Education meeting.
6. An individual who was allegedly subjected to unlawful discrimination or harassment may also file a complaint with the Missouri Commission for Human Rights, the United States Department of Education, Office for Civil Rights, or the United States Department of Justice. In addition, such individual may choose to file suit in the United States District Court or the State Circuit Court.
7. Copies of all complaints of harassment and the investigations conducted pursuant to them shall be maintained at the main administrative offices of the School District.

RETALIATION

Submission of a good faith complaint or report of unlawful discrimination, sexual harassment, or harassment based upon race, sex, color, disability, national origin, age, ethnicity, or sexual orientation will not affect the complainant or reporter's future employment, grades, learning, or working environment, or work assignments.

The School District will discipline or take appropriate action against any student, teacher, administrator, or other school personnel who retaliates against any person who reports an incident of alleged harassment/discrimination, sexual, racial, ethnic, sexual orientation discrimination, disability-related harassment or violence, or any person who testifies, assists, or participates in a proceeding, investigation, or hearing relating to such harassment or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Regulation 2170

Nondiscrimination and Student Rights

Distribution of Noncurricular Publications by Students

Guidelines for Distribution

Students may distribute, at reasonable times and places, unofficial written materials, petitions, buttons, badges, or other insignia, except expressions which:

1. Are obscene to minors.
2. Are libelous.
3. Are pervasively indecent or vulgar (secondary schools)/contain any indecent or vulgar language (elementary schools).
4. Advertise any product or service not permitted to minors by law.
5. Constitute insulting, hateful or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religion, or ethnic origin).
6. Present a clear and present likelihood that, either because of their content or their manner of distribution, will cause a material and substantial disruption of the proper and orderly

operation and discipline of the school or school activities, or will cause the commission of unlawful acts or the violation of lawful school regulations.

Distribution on school premises of material in above categories to any student is prohibited.

Procedures

Any student wishing to distribute unofficial written material must first submit for approval a copy of the material to the principal/designee at least three (3) days in advance of desired distribution time, together with the following information:

1. Name and phone number of the person submitting request.
2. Date(s) and times(s) of day of intended display or distribution.
3. Location where material would be displayed or distributed.
4. The grade(s) of students to whom the display or distribution is intended.

Within forty-eight (48) hours of submission, the principal/designee will render a decision whether the material violates the guidelines contained in these regulations or the time, place and manner restrictions of this regulation. In the event that permission to distribute the material is denied, the student submitting the request should be informed of the reasons for the denial.

Permission to distribute material does not imply approval of its contents by the school, the administration, the Board, or the individual reviewing the materials submitted. Accordingly, the publication shall contain a statement "The opinions expressed are not necessarily those of the District or its personnel."

If the student is dissatisfied with the decision of the principal/designee, the student may submit a written request for appeal to the Superintendent/designee. If still not satisfied, the student may appeal the request to the Board for its review.

Time, Place and Manner of Distribution

The distribution of written material shall be limited to a reasonable time, place and manner as follows:

1. No written material may be distributed during and at the place of a normal school activity (e.g., classroom) if it is reasonably likely to cause a material and substantial disruption of that activity.

2. Distribution of written material is prohibited when it blocks the safe flow of traffic within corridors and entranceways of the school.

Definitions

The following definitions apply to the following terms as used in this policy:

Obscene to minors is defined as:

1. The average person, applying contemporary community standards, would find that the written material, taken as a whole, appeals to the prurient interest of minors of the age to whom distribution is requested; and/or
2. The material depicts and describes, in a manner that is patently offensive to prevailing standards in the adult community concerning how such conduct should be presented to minors of the age to whom distribution is requested, sexual conduct such as intimate sexual acts (normal or perverted), masturbation, excretory functions, and lewd exhibition of the genitals; and/or
3. The material taken as a whole, lacks serious literary, artistic, political or scientific value for minors.

Minor is defined as any person under the age of eighteen (18).

Material and substantial disruption of a normal school activity is defined as follows:

1. Any disruption which interferes with or impedes the implementation of any educational or school sponsored program.
2. In order for expression to be considered disruptive, there must exist specific facts upon which the likelihood of disruption can be forecast, including past experience in the school and current events influencing student activities and behavior.

School activities is defined as any activity of students sponsored by the school and includes - by way of example, and not by way of limitation - classroom work, library activities, physical education classes, official assemblies, and other similar gatherings, school athletic contests, band concerts, school plays, and in-school lunch periods.

Unofficial written material is defined as all written material except school publications funded and/or sponsored or authorized by the school. Examples include leaflets, brochures, flyers, petitions, placards and underground newspapers, whether written by students or others.

Libelous is defined as a false or unprivileged statement about a specific individual that tends to harm the individual's reputation, or to lower him/her in the esteem of the community.

Distribution is defined as circulation or dissemination of written material by means of handing out free copies, selling or offering copies for sale and accepting donations for copies. It includes displaying written material in areas of the school which are generally frequented by students.

Disciplinary Action

Distribution by a student of unofficial written material prohibited in this regulation will be treated as a violation of the student discipline code.

STUDENTS

Regulation 2230 **(Form 2230)**

Admission and Withdrawal

Admission of Resident Students

The Superintendent/designee is responsible for ensuring that all pre-registration residency, waiver requests, and prior discipline forms are completed and maintained as District records.

A student may only register in the District if the student provides proof of residency or if the student or parent/guardian requests a waiver from the Board of Education on the basis of hardship or good sense. A Residency Enrollment Checklist (Form 2230) and Affidavit Regarding Prior Discipline (Form 2230.2) will be completed at the time of enrollment. If the Superintendent has reason to suspect that the admission of a student will create an immediate danger to the safety of others, a hearing will be convened within five (5) working days of the request to register. At the hearing, the District will determine whether the student may enroll. (See Regulation 2664 – Enrollment or Return Following Suspension and/or Expulsion.)

Waiver

Students or parents/guardians seeking a waiver of the District's residency requirement must complete and submit to the Superintendent a Request for Waiver of Proof of Residency (Form 2230.1) stating the reasons for which the waiver is requested. If a waiver is requested, the Board of Education, or a committee of the Board appointed by the Board President, must convene a hearing no later than forty-five (45) days after the request for waiver is filed with the Superintendent. If the District fails to convene a timely hearing, the request for waiver is automatically granted. Following the hearing, the Board will provide written notice of its decision and the reasons for its approval or denial of the waiver request.

In considering whether a waiver to residency should be granted, the presumption that a student's domicile is in the home of the student's parent/guardian is not conclusive. Students residing within the District, but not within the domicile of their parent/guardian, will be considered residents of the District if they reside within the District for reasons other than solely to attend District schools.

Records Review

Within two (2) business days of enrolling a new student, the Superintendent/designee will request copies of the new student's transfer and discipline records from all schools in which the new student attended at any time within a twelve (12) month period preceding enrollment in the District. In addition, parents/guardians of students new to the District will be required to complete and sign the Affidavit Regarding Prior Discipline informing the District of suspensions or expulsions incurred at schools previously attended.

However, as provided in Policy and Regulation 2664 – Enrollment or Return Following Suspension and/or Expulsion, no student will be enrolled who has been convicted of or charged without final adjudication of the following criminal acts or the corresponding juvenile offenses:

1. First degree murder.
2. Second degree murder.
3. First degree assault.
4. Forcible rape.
5. Forcible sodomy.
6. Robbery in the first degree.
7. Distribution of drugs to a minor.
8. Arson in the first degree.
9. Kidnapping (Class A felony).
10. Statutory rape.
11. Statutory sodomy.

This provision does not apply to a disabled student who is convicted or adjudicated guilty as a result of conduct related to the student's disability.

Regulation 2310

Attendance

Student Attendance

The Board of Education has established the following rules and regulations regarding attendance, absences and excuses for students. These rules and regulations are intended to comply with Missouri Compulsory Attendance Law (167.031 RSMo.) which establishes compulsory attendance for all children between the ages of seven and sixteen unless their education is provided by other acceptable means or otherwise excusable under the law.

Excusable Absences

In case of absence, it is the responsibility of the parent/guardian to notify the school. If the school is not notified on the day of absence, a note from the parent/guardian will be required on the first day of the student's return to school. The absence will be recorded as unexcused if a note or telephone call is not received.

Excusable absences include, but are not limited to:

1. Illness of the student (Doctor's statement may be required to support such absences).
2. Days of religious observance.
3. Death in the family (Each District shall define degree of relatedness required to excuse absence).
4. Family emergencies which necessitate absence from school. The school must be notified in advance when such absences are foreseen. (Each District shall define degree of emergency required to excuse absence).

The following procedures should be followed by students who are absent so as to prevent academic difficulties:

1. The student shall obtain assignments from appropriate staff members. Assignments shall be obtained in advance if the absence is foreseen.
2. All assigned work shall be submitted upon returning to school.
3. All classroom work (to include tests) shall be completed as indicated by the individual classroom teacher.

Unexcused Absences

Attendance patterns for all students will be monitored. Absences which are not clearly excusable will be investigated by the principal and/or staff, and appropriate action will be taken:

(Disciplinary Option)

1. After a student has been absent for three (3) consecutive days, it is the building principal's responsibility to contact the parent/guardian by telephone or letter in order to inquire about the reason for the student's absence.
2. If the principal is unable to contact the parent/guardian within three (3) days or the parent/guardian does not give a reasonable explanation for the absence within three (3) days, the building principal shall send a registered letter to the parent/guardian requesting a conference within a week.
3. If the parent/guardian does not contact the principal within a week of receipt of the registered letter, the building principal will make a referral to the proper legal authorities.
4. The building principal shall also notify the office of the Superintendent in writing of the excessive absence and continue to update the Superintendent on the situation.

Excessive Absences

Elementary Students and Middle School Students

A student shall be allowed twenty (20) unexcused days per school year. Excessive absences, excused or unexcused, have a detrimental effect upon academic progress and may be one factor considered in promotion/retention decisions.

High School Students

A student shall be allowed a maximum of ten (10) unexcused absences from any class during a semester. Students who accumulate in excess of ten (10) days in any class are subject to loss of

credit for that class. (Days of student suspension are not counted as days absent for purposes of this policy.)

When unusual or extreme circumstances occur, exceptions to this stated policy will be made only by administrative discretion on an individual basis. Any absence not accounted for will be considered an unexcused absence.

Any absence from class as a result of a school-sanctioned activity is not recorded as an absence for purposes of this policy. Example: field trip, athletic event, student activity, etc. It is the student's responsibility to remind all of his/her teachers following a school-sanctioned absence to use the attendance correction form if he/she was reported absent inadvertently.

(Disciplinary Option)

A student is expected to make up work as a result of class periods missed. It shall be the student's responsibility to meet with the teacher and receive the necessary instructions and assignments.

Any exceptions to the items cited above shall be approved by the Board of Education.

Each principal may have written policies which further detail procedures for making up work, reporting absence, etc.

Appeal

High school students who are denied credit under this Regulation are entitled to utilize the due process procedures available for student suspensions. These provisions are contained in Regulation 2662 - Suspension.

(Academic Option)

1. After a student has been absent for three (3) consecutive days, it is the building principal's responsibility to contact the parent/guardian by telephone or letter in order to inquire about the reason for the student's absence.
2. If the principal is unable to contact the parent/guardian within three (3) days or the parent/guardian does not give a reasonable explanation for the absence within three (3) days, the building principal shall send a registered letter to the parent/guardian requesting a conference within a week.
3. If the parent/guardian does not contact the principal within a week of receipt of the registered letter, the building principal will make a referral to the proper legal authorities.
4. The building principal shall also notify the office of the Superintendent in writing of the excessive absence and continue to update the Superintendent on the situation.

Excessive Absences

Elementary Students and Middle School Students

A student shall be allowed twenty (20) unexcused days per school year. Excessive absences, excused or unexcused, have a detrimental effect upon academic progress and may be one factor considered in promotion/retention decisions.

High School Students

Regular attendance and participation in classroom instructional activities are essential to achieving the educational objectives for each class. When students are absent from class, they miss the material covered; they miss the opportunity to interact with the teacher as well as other

students; and they miss the opportunity to pursue learning opportunities only available in the classroom interaction.

Students whose absence is unexcused will not receive any credit for instructional activities occurring during their absence. The net effect of an unexcused absence or absences may be a reduction in the student's grade. In addition, students who have unexcused absences may be required to attend after school classes or Saturday classes to complete classroom work covered in their absences.

Students are required to make up work as a result of class periods missed. It is the student's responsibility to meet with the teacher to obtain the necessary assignments and instructions.

Any exceptions to the items cited above shall be approved by the Board of Education. Each principal may have written policies that further detail procedures for making up work and reporting absences.

Regulation 2320

Attendance

Part-time Attendance

The District recognizes the need of some students to attend school on a part-time basis. The Board has established the following regulation regarding part-time attendance. It is the intent of this regulation to meet the individual needs of each student and at the same time establish rules and regulations which will preserve the discipline, health, and academic standards of the school.

Eligibility Requirements

1. The student must have parent/guardian approval if under 18 years of age.
2. The student must demonstrate a definite need to attend school on a part-time basis. Examples are: a) financial needs of student or family, b) health problems of self or family, c) vocational training in school or on the job, d) enrollment in a school of higher education, and e) unique curriculum offerings.

Application Procedure

The student must secure an appointment with the guidance counselor or school principal prior to classification as a part-time student. The student must complete a part-time attendance request

form at the conference. Before any decision is given concerning the request, a conference must be held with the student's parent/guardian if the student is under 18 years of age. All applications and conferences must be completed during the time preceding the semester in which the student is to be enrolled on a part-time basis.

After an application has been submitted, the principal shall rule on the request and report to the Superintendent the names of all students who are to be enrolled on a part-time basis. This same report shall be transmitted to the Board of Education. In the event the principal denies the request, the student may appeal to the Superintendent who must respond in a reasonable time. If the student is not satisfied with the decision of the Superintendent, an appeal may be made to the Board of Education with the appeal to be heard at the next meeting of the Board.

The student must renew the request for part-time attendance status each semester. Parental conference will not be required for renewal; however, the parent/guardian will be notified of the student's continued part-time enrollment status.

Part-time students are governed by the same rules and regulations that apply to regularly enrolled students.

Student Early Dismissal Procedures

The following procedures apply:

1. The building principal or designee shall not excuse a student before the end of the school day without a request for early dismissal by the student's parent/guardian.
2. Requests shall be in writing. Telephone requests for early dismissal of a student shall be honored only if the caller can be positively identified as the student's parent/guardian.
3. Children of single-parent families will be released only upon the request of the custodial parent; i.e., the parent whom the court holds directly responsible for the child, and who is identified as such on the school record.

Additional precautions may be taken by the school administration, appropriate to the age of students, and as needs arise.

Parents/guardians have the obligation to advise and provide up-to-date documentation to the building principal regarding any change in the legal and/or physical custody of the student. The building principal, at all times, has the authority to investigate and confirm the custodial status of a parent/guardian if the principal has inadequate information or reason to suspect that false or incomplete information has been provided to the School District.

Students shall not be permitted to answer any personal phone calls, except those from the parent/guardian or other persons having legal custody of said pupils. Emergency messages will be delivered to the students.

Truancy and Educational Neglect Procedures

1. Section 210.1 15.R.S.Mo. mandates certain professionals to report to the Division of Family Services when they have reasonable cause to suspect that a child is being subjected to home conditions which contribute to school nonattendance.

Along with other professionals mentioned, the law specifically mentions "teacher, principal or other school official" as well as "nurse" and "social worker."

2. School employees who suspect that a child is subject to educational neglect shall report this as soon as possible to the principal/designee.
3. The principal/designee shall review the report and confer with the parent/guardian to resolve the situation. When appropriate, a school counselor, social worker, or nurse may be instructed to offer appropriate social or health services which may be needed to intervene in the family circumstances.
4. If appropriate school intervention does not correct the student's truancy, and reasonable cause for educational neglect has been determined, the principal/designee shall call the Student Abuse Hotline of the Division of Family Services and report the alleged child educational neglect.
5. A report of this call shall be forwarded to the Superintendent or Central Office Student Services Administrator.
